IF I PLACE MY NAME ON THE LIST, DOES THIS MEAN I CAN'T GO TO CASINOS IN OTHER STATES?

Yes. PENN Entertainment, Caesars Entertainment, The Cordish Companies, and MGM Resorts International, which operate casinos in Maryland, have policies stating that individuals on Maryland's VEP list are also excluded from their casinos in other states. Individuals on Maryland's VEP list are not excluded from casinos operated by companies that do not operate casinos in Maryland.

IF I VOLUNTARILY EXCLUDE MYSELF, HOW LONG MUST I STAY OUT OF MARYLAND CASINOS?

A person enrolled for at least two years may request removal from the list at the expiration of that time period by completing a Request for Removal Application. A person applying for removal from the Voluntary Exclusion Program must first undergo a problem gambling assessment by a licensed professional who is approved by the state to conduct problem gambling assessments, complete any recommended treatment, and complete a problem gambling treatment and prevention program. The Maryland Lottery and Gaming Control Agency will make the final determination on whether an applicant can be removed from the voluntary exclusion list.
